

At One Community Church, we dare to dream of a weekend where women are equipped, empowered, and encouraged to boldly engage in living the life that they were created for.

We believe that we were created to bring God Glory - to show off his brilliance - to point to his character at every opportunity. The reality is, we are in a culture obsessed with making a brand for "self" and showing off "self-centered" brilliance. This year our theme at the Revive Women's Conference is "REVEAL". We want women to know that we are called to make God's glory our priority in every area of life.

Ladies, Revive is a time for women of all ages and walks of life to come together to worship, be equipped with biblical truth, build relationships, have fun, and most importantly have a special encounter with God.

We're looking forward to not just inspiring you, but equipping you with truth and leading you with love. It is our hope that REVIVE will leave you with a sense of humility, awe, and excitement about what is to come.

It is my prayer and hope that you will open your heart to hear from God this weekend. Whether he's speaking through deep reflection, surrendered worship or shoulder-shaking laughter....LISTEN to Him. May these two days together be encouragement for your journey and food for your soul.
