

BUILDING AND SUSTAINING A **LEGACY** TEAM

LEGACY TEAM

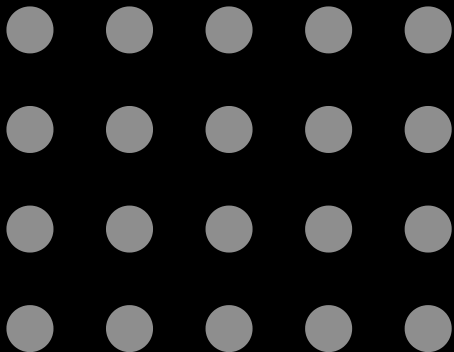

Those who serve on the Dream Team by strategically investing resources over and above their tithe to accelerate the vision of our church.

THE LEGACY TEAM DOESN'T DETERMINE THE VISION, BUT THEY DO DETERMINE THE SPEED.

STARTING A LEGACY TEAM

- **Invite people with the gift of giving to join.**
 - Let them self-identify (during the Growth Track) .
 - Take the median income in your community and add 30% to it. Take the total number times 10%, and that could give you a baseline of the over and above giving in your church.
- **Create Legacy Lanes for the different areas of vision.**
 - Everyone has a passion point.
- **Give them “Vision Gap” updates.**
 - What would we do if...
- **Show them ways they can participate in a Lane other than giving.**
 - Connect them to moments – ex. mission trip to see the difference they are making.
 - Other examples: touring new facilities, lunches PC, showing them the “behind-the-scenes.”
